MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: [redacted] 25X1
Chief, Interdepartmental Affairs Staff

SUBJECT: Breakfast Meeting with SecDef - 14 August 1981

Your meeting will be rather rushed because Weinberger has an 8:30 appointment. Defense has not suggested any topics. The items you wanted to discuss are:

(this book is for NSC on 17th; John handing it)

--Strategic Weapon Programs. I gave you a book earlier today with the material you used at the 3 August NSPG. An additional paper from Harry Rowen is at Tab A. (The first 10 pages are the key judgments; the body of the paper is still in coordination and subject to change.)

--Budget issues. Talking points on unresolved issues with DoD are at Tab B.

[redacted] 25X1

25X1

--John McMahon asked for your assistance in getting data on NATO air forces. His memo is at Tab D.

[redacted] 25X1

. (Weinberger should have seen the interagency assessment on the Gulf of Sidra operation that you sent out on Monday and DIA's summary this morning carried an article on the Egyptian exercise. DIA plans to set up an around-the-clock task force to monitor Libyan reaction to the U.S. Navy operation.)

--You also wanted a reminder to bring up an item of "new intelligence."
